

BUILDER BOARD[®] NEW PROJECT EDITION

Protect the job with the same professional grade you expect from Builder Board,[™] now in a lighter roll. Jobsite protection has never been simpler with Builder Board[™] Project Edition.

More durable than any other board in its class, Project Edition hugs surfaces like never before and comes ready to work in a lighter roll. It still guards against water, paint, mud, is 100% recyclable and proudly made in the U.S.A.

**TOUGHER
THAN THE
JOBSITE.[™]**

PRODUCT FEATURES

- Lighter version of traditional Builder Board[™]
- Durable for the toughest projects—Approx. 22mil
- Allows vapors to escape for maximum breathability
- Nearly **3x thicker** than rosin papers & covers the same as 5 sheets of Masonite (10 / 100ft roll)
- Reusable paperboard for anyone looking for the same trusted protection of Builder Board[™] in a smaller, lighter roll
