POWERHOLD TROWELS

TROWEL FEATURES

- Strong durable steel blade

- TPR handle for comfortable ergonomical grip

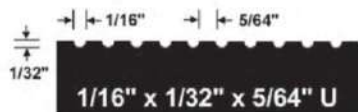

- Notch specification stamped on blade makes trowel easily identifiable

- Laser etched **POWERHOLD** logo

Every Powerhold Trowel is built with precision to meet the **demanding requirements** of today's flooring installer. **High quality**, stainless steel blades insure long life and durability. These trowels also display the Powerhold Logo from just about any angle you look. From the laser etched logo on the blade, the embossed logo on the tang and the bright red Powerhold name on the cushion grip, there's no way you can miss that these are Powerhold products through and through. Look through the list below to find a trowel for your next floor installation.
